See frequently asked questions below:

What is MNCare?

MNCare, also known as MinnesotaCare, is a state-funded health insurance program that serves low-income people.

When does the rollback take effect?

On January 1, 2026, undocumented Minnesotans ages 18 and older will no longer be eligible for MNCare coverage.

I am an undocumented adult and don't have health insurance. Can I apply for MNCare coverage now?

No. The application window closed on June 15, 2025. The state is no longer accepting MNCare applications for undocumented adults.

What if I am undocumented and currently have coverage?

Your coverage will extend through the end of 2025 and will expire January 1, 2026 for anyone who is 18 or older.

Are undocumented children still eligible?

Yes, anyone under the age of 18 is still eligible for MNCare coverage.
